Subject: Addendum #3

**REFERENCE: P064-21 Excess Liability Insurance**

This Addendum forms part of the contract and clarifies, corrects or modifies original RFP document.

**Question 1:** Can you let us know if current carrier will be willing to renew coverage for Excess Liability?

**Answer 1:** BPUB issued a RFP for D&O and Excess Liability Insurance in June 2018 and awarded a contract for each that went into effect October 1, 2018. The original contract for D&O and Excess Liability Insurances was for one year with two additional one-year options. BPUB exercised the first and second options. The current contract for D&O and Excess Liability is now in effect until October 1, 2021. BPUB has no reason to believe the current carrier will not offer a renewal quote for D&O or Excess Liability as part of this RFP process.

**Question 2:** We are requesting the Financial Statement for 2020 and the Financial Statement for Q1 & Q2 of 2021.

**Answer 2:** The 2020 Financial Statement can be found on BPUB's webpage: [Financials - Brownsville Public Utilities Board \(brownsville-pub.com\)](https://www.brownsville-pub.com/Financials). The 2021 Financial Statement is not available.

**Question 3:** Provide a copy of the underling general liability, automobile liability, failure to supply liability, pollution liability and employer's liability policies.

**Answer 3:** BPUB does not believe release of the requested information is necessary for prospective bidders to offer a proposal in response to this RFP solicitation.
