To: All Vendors  
Subject: Addendum #2

**REFERENCE: Q081-21 Engineering Services for Standby/Backup Power Specifications & Design for Various BPUB Water and Wastewater Facilities**

This Addendum forms part of the contract and clarifies, corrects or modifies original RFQ document.

**NEW SUBMISSION DATE & TIME: SEPTEMBER 22, 2021 by 5:00 PM**  
**NEW OPENING DATE & TIME: SEPTEMBER 23, 2021 at 10:00 AM**

**Question 1:** Is the Previous Customer Reference Sheet to be utilized to show our experience of similar projects in Section B? Or are we to fill out a form in addition to each project that we include in Section B of the proposal?

**Answer 1:** No, Similar projects should be summarized in a different section. Section B is for listing references as needed.

**Question 2:** If the Previous Customer Reference Sheet is to only be utilized to show our project experience, does it belong in the Required Forms section or in Section B?

**Answer 2:** See answer to Question 1.

**Question 3:** Are there any requirements for SEL, RTAC, System Integration & Programming?

**Answer 3:** This is to be determined based on the final scope of work. BPUB does expect the chosen vendor to be able to provide these types of services.

**Question 4:** Is there any SCADA Interface to the electrical utility?

**Answer 4:** No, a SCADA interface to the electric utility is not available at this time.

The signature of the company agent, for the acknowledgement of this addendum, shall be required.
