Subject: Addendum #4

REFERENCE: P011-23 Property Insurance

This Addendum forms part of the contract and clarifies, corrects or modifies original proposal document.

Question 1: Carrier is requesting the following information: The RFP notes request for STD and Basic Group Life. These benefit summaries were not included in the RFP and additional attachments. Does the group currently have these coverages? If yes can you please provide the following information:

STD:

- Current elections (provided on census or recent bill)
- Current and renewal rates
- Rate history
- Last 1-3 years of experience that includes (if more than 200 are enrolled):
 - Monthly enrolled lives
 - Monthly paid premium
 - Monthly paid claims
- Current plan design (benefit summary or certificate booklet)

Basic Life:

- Current and renewal rates
- Rate history
- Last 3-5 years of experience that includes:
 - Monthly enrolled lives
 - Monthly paid premium
 - Monthly paid claims
- Current plan design (benefit summary or certificate booklet)

Answer 1: While the Brownsville Public Utilities Board does have short term disability and basic group life coverages for BPUB employees, those coverages are not part of this RFP for property insurance. Therefore, BPUB will not release information regarding these coverage as part of this RFP.
