Subject: Addendum #2

REFERENCE: P028-23 ANNUAL GROUNDS KEEPING MAINTENANCE SERVICE

This Addendum forms part of the contract and clarifies, corrects or modifies the original proposal document. Brownsville PUB is willing to deviate from the Certified Cashier's check and/or Bid Bond requirement.

Question 1: Several locations are missing. Please provide the maps from the elevated storage tanks, resaca pumps, and the Mason and Wood levee area.

Answer 1: Attached are the maps requested.

Question 2: On page 39, the tree trimming on the access road, specifies once every month for Wells #1, 2, 16, and 20. Please confirm if service is needed for only those wells or for all the wells, except for the ones that don't have trees on the access roads. Please advise.

Answer 2: The service is needed for the following wells site access road, to Well # 1,2,4,5,9,16, except for the ones that don't have trees on the access roads.

Question 3: On page 41, there is no actual number of trees specified on the Old Service Yard, Water Treatment Plant #2, ANNEX Building, and 511 Service Yard. Can the number of trees be provided on those areas?

Answer 3: The following are approximate counts of trees at these locations:
Old Service Yard and Water Treatment Plant #2: 30 hardwood trees and 22 palm trees
SRWA: 12 hardwood trees and 20 palm trees
Annex Building: 5 hardwood trees and 20 young trees
511 Service Yard: 33 palm trees, nothing over 20 ft and 156 young trees
