Governor's Division of Emergency Management - HURRICANE EVACUATION GUIDELINES

Discuss evacuation plans with your family BEFORE hurricane season June 1 - Nov. 30. When threatens, evacuating is the smartest move. When local officials call for an evacuation, get delay. Monitor NOAA weather radio and local TV and radio broadcasts during storm season. Make sure you emergency supply kit. Learn your evacuation routes before storm season. Dial 2-1-1 to register in advance TANK OF GAS before you leave. Expect traffic delays. For more information visit our website at oem.cob.us.
