INTRODUCTION

General

BPUB is an agency formed by the City of Brownsville, Texas, under Article VI of its Home Rule Charter. The Board is organized for the purpose of aiding and acting on behalf of the City to manage and control the City's municipally owned electric, gas, water and wastewater systems.

BPUB is governed by the Board of Directors ("Board"), which has control and management supervision of all affairs of the agency as more detailed below. The City Commission of the City of Brownsville appoints the directors as detailed below. The Board holds a regular meeting once a month, usually on the second Monday, and occasionally holds special meetings and workshops.

The BPUB System and Organization

BPUB is a component unit of the City of Brownsville, Texas and is 92.91% participant of the Southmost Regional Water Authority (Authority). The BPUB was formed in 1960 to provide electrical, water, and wastewater services to its customers in the Brownsville area, and the Authority provides treated water to various areas of the lower Cameron County. Pursuant to the City's Charter, management, operation, and control of the City's combined water, wastewater, and electric utilities system is delegated to the BPUB, and the Authority has a mutual agreement with the BPUB authorizing the BPUB to manage all accounting and reporting functions of the Authority. The Authority is comprised of all of the territory contained within the City of Brownsville, the City of Los Fresnos, the Town of Indian Lake, Brownsville Navigation District of Cameron County, and Valley Municipal Utility District No. 2 located in Cameron County.

BPUB executive administration includes a General Manager/Chief Executive Officer, an Assistant General Manager/Chief Operations Officer, Chief Administrative Office and a Chief Financial Officer who oversee specific divisions. BPUB employs approximately 602 employees. BPUB's fiscal year is a 12-month period ending September 30th of each year.

The BPUB Board is comprised of seven members, six of whom are appointed by the City Commission for four-year terms, and the seventh member being the City's Mayor serving ex-officio. The Board appoints a General Manager and Chief Executive Officer who is responsible for the management of all BPUB employees and for administering all affairs of the BPUB.

The **Electric System** provides retail electric service through its electric facilities to consumers inside and outside the city limits. The existing customer service area of the electric facilities encompasses approximately 133 square miles of Cameron County, including substantially the entire City (estimated by the Public Utilities Board at over 96%). The electric system serves a growing base of about 52,410 non-municipal customers and served a peak load of 293.43 MW in Fiscal Year 2022. Current resources,

consisting of Power Purchase Agreements, and ownership in power plants are sufficient to cover peak demand.

The Public Utilities Board meets its power supply obligations through a combination of resources: (i) the operation of the Silas Ray Power Production Facilities owned and operated by the Public Utilities Board (composed of one conventional steam turbine unit and a re-powered steam turbine in Combined Cycle with a combustion turbine and a GE LM6000 gas turbine generator for an estimated gas fired capability of 115 MW), (ii) the operation of the Calpine/Hidalgo combined cycle Power Plant in which the BPUB has an ownership interest entitling it to 105 MW of capacity, (iii) a Power Purchase Agreement with Constellation Energy Corporation entitling the BPUB to purchase 78 MW of renewable energy, (iv) a Power Purchase Agreement with AEP Energy Partners, Inc entitling the Board to an estimated 65 MW of energy, and (v) economy energy purchases through an economy power interchange arrangement.

The BPUB currently has a gas transportation agreement with Texas Gas Services Company ("TGS"), a division of ONE Gas, Inc. and a gas supply agreement with Tenaska Marketing Ventures ("TMV") for service to its Silas Ray Generation units, and a gas supply agreement with Calpine Energy Services, LP for service to its Calpine/Hidalgo Plant.

Fuel and transportation contracts are in place, limiting the Public Utilities Board's exposure to the volatile fuel commodity markets.

The **Water System** draws raw water from the Rio Grande River and consists of a river rock weir, a river pump station, two reservoirs providing 187 million gallons total capacity, and a raw water transport system. Surface water treatment is achieved by two water treatment plants providing 40 million gallons per day (MGD) of total capacity (20 MGD treatment capacity each). Two clear wells provide 6.84 million gallons storage capacity, and three elevated storage tanks provide 5 million gallons of elevated storage capacity. Water is pumped by three high-service pumping stations into the distribution system which consists of 676 miles of transmission and distribution mains. The BPUB mainly sells to residential and commercial customers, but also sells treated water on a wholesale basis to three other water distribution companies that amount to approximately 5.26% of revenues. The BPUB partnered with the Southmost Regional Water Authority (the Authority) and built a 7.5 million gallon per day reverse osmosis water treatment plant of which the BPUB has 92.91% ownership. The Authority's plant completed an expansion in November 2015 to provide microfiltration pretreatment and a total production capacity up to 10 MGD. The Authority's plant includes a 7.5 million gallon storage tank. BPUB is the operator for SRWA.

The BPUB has an annual allocation of municipal priority water rights from the Texas Commission on Environmental Quality (TCEQ) in the amount of 31,442.381 acre-feet of water, which is dependent upon inflow to the Falcon and Amistad Reservoirs. In addition, the BPUB holds Permit No. 1838 entitling it the right to 40,000 acre-feet of surplus water.

The BPUB is subject to regulation of water quality by the TCEQ. The BPUB presently has a “Superior” water system as determined in accordance with current TCEQ regulations.

The Public Utilities Board’s water utility service area is subject to the certification jurisdiction of the TCEQ. The BPUB has been certified singly to provide water service within the boundaries of the City. A large portion of the area, three and one-half miles surrounding the boundaries (the “extraterritorial jurisdiction”) of the City, is dually certified. There is a small water utility system (El Jardin Water Supply Corporation) whose customers are situated adjacent to or within the System. All of its treated water is supplied by the Public Utilities Board’s water system.

The **Wastewater System**, consisting of collection and treatment facilities, includes gravity wastewater collection lines, 178 pumping/lift stations and two treatment plants. Wastewater is transported by pumping stations and associated force mains to one of two wastewater treatment plants – the Robindale Plant or the South Plant. The Robindale Plant was designed to treat 5 MGD in 1980 and expanded to a capacity of 10 MGD in 1995. The Robindale renovation and expansion project completed in July 2014 increased the treatment capacity to 14.5 MGD. The Robindale Plant provides secondary waste treatment utilizing a Modified Ludzack-Ettinger (MLE) process (anoxic and aerobic with an internal nitrate cycle) of activated sludge, turbo blowers (with magnetic bearings) with auto dissolved oxygen control, secondary settling, ultra-violet light system (as alternate source of disinfection), effluent cascade aeration system, sludge thickening, aerobic digestion, mechanical sludge dewatering (via 2-meter belt filter press), a SCADA (Supervisory Control and Data Acquisition) system, and sludge disposal at a Dedicated Land Disposal (DLD) site of 137 Acres. The South Plant was originally constructed in 1952, with a trickling filter process and anaerobic digestion plant design with a treatment capacity of 5 MGD. South Plant was modified in 1974 with major modifications in 1978 when it was expanded to a capacity of 7.8 MGD and the treatment process design was changed to a variation of activated sludge identified as complete-mix process and anaerobic digesters were converted to aerobic digesters. In 2000, the plant was expanded to 12.8 MGD. The treatment process was changed to reflect the complete mix activated sludge treatment process we have today. It consists of a dual channel mechanical bar screening system, two grit classifiers, compactor washer, a four aerated grit chamber system, three complete mix aeration basins, RAS and WAS pumping stations, four final clarifiers, chlorine contact chamber, chemical feed station with scrubber system, two effluent river pump stations for offsite force main for pumping treated effluent to the Rio Grande River, two gravity thickeners, four aerobic digesters with mechanical sludge dewatering process (via 2-meter belt filter press unit that was added in July of 2010) and sludge disposal at a Dedicated Land Disposal (DLD) site of 137 Acres.

The wastewater system is subject to regulation by the EPA and the TCEQ with regards to operations of the facilities and the water quality of the wastewater plants’ effluent.

The BPUB has the authority to provide wastewater service both inside and outside the city limits. The Brownsville Navigation District owns and operates its own wastewater treatment facilities. There is no competition between the Public Utilities Board's wastewater system and the Brownsville Navigation District since the Brownsville Navigation District operates in defined areas in which the System has no wastewater lines.

BPUB's Fiscal Years 2023-2027 Capital Improvements Plan Budget includes \$110.9 million in Electric spending requirements for transmission, distribution and power production improvements. Funding for the Electric plan is expected to be provided primarily from current revenue with some funding from commercial paper issuance followed by the issuance of long-term debt.

It is also anticipated that the Water and Wastewater System will require approximately \$138.9 million for system improvements. Such improvements will include treatment facility improvements, reservoir, pump station and lift station improvements, and major transmission, distribution and collection improvements. It is anticipated that such improvements will be financed through a combination of current revenues, the issuance of commercial paper followed by the issuance of long-term debt, Impact Fees, and grants.

The **Resaca Restoration Program** aims to restore over 50 miles of resacas within the City of Brownsville. The Brownsville landscape is characterized by a broad, fan-shaped delta at the Rio Grande's mouth that has been dissected by multiple meandering channels. These channels carried river flows with heavy sediment loads through the delta to the Gulf region. Today these deltaic channels have been abandoned (due to the construction of the levee adjacent to the river) to form finger lakes throughout Brownsville which are referred to as "resacas" and are classified as wetlands. Over time, agricultural influences followed by urban development and the heavy use of bulkheads along the resaca banks have contributed to substantial deposits of sediment resulting in decreased water depth, water quality and water circulation. Water depths are no longer sufficient to provide habitat for many native species of fish that once lived in the resacas and algal blooms and fish kills are becoming a more common occurrence. Resacas are unique ecosystems that provide multiple benefits to the community. Resaca restoration benefits include: increased stormwater capacity, increased water storage capacity, improved water quality, recreational opportunities, economic development, and environmental benefits. Resaca Restoration Program measures include: dredging/excavation, re-shaping banks, planting native aquatic, emergent and riparian vegetation, installing and/or modifying water control infrastructure, incorporating dredge material as a soil supplement, and invasive plant species management.

In 2013 BPUB began a limited program to dredge resacas and make bank and infrastructure improvements in the City of Brownsville. The program was expanded in 2020 as a result of a \$4.6 million award from RESTORE Act funding managed by the TCEQ. In 2018 the U.S. Army Corps of Engineers (USACE) completed an interim ecosystem restoration feasibility study and environmental assessment of the resacas in Brownsville. The result of the restoration evaluation was the identification of a National

Ecosystem Restoration (NER) plan. The NER plan identified and recommended improvements to City of Brownsville resacas at an estimated cost of \$202,492,000 (October 2017 prices) over 16 years/contracts. USACE funding for the NER plan improvements is cost shared at 65/35 (Federal Sponsor/Non-Federal Sponsor) and is subject to congressional appropriations.

The BPUB has an authorized commercial paper program for the Combined Utility Systems of \$100 million in tax-exempt and taxable commercial paper.

I. INSTRUCTIONS TO PARTICIPATING FIRMS

The Brownsville Public Utilities Board of the City of Brownsville, Texas is requesting qualification statements from lobbyists interested in providing sound legislative advice to the BPUB. Firms with relevant municipal utility experience and qualifications are encouraged to submit their statement of interest and qualifications. Preparation of submittals will be at the expense of the firm.

The agreement period will be for three years, with years two and three subject to Administration and Board of Directors approval, under the same terms and conditions of the contract contingent upon mutual agreement by both parties (See Section VIII-Term).

The following instructions should be followed:

1. Please respond specifically to all information requested in this Request for Qualifications or indicate on the attached acknowledgement form why no response is given.
2. Please limit response to relevant material; additional information must be submitted in the form of an attachment or appendix.

II. BROWNSVILLE PUB RIGHTS

1. If only one or no RFQ is received by "submission date", the BPUB has the right to reject, re-propose, accept and/or extend the RFQ by up to an additional two (2) weeks from original submission date.
2. The right to reject any/or all RFQs and to make award as they may appear to be advantageous to the Brownsville Public Utilities Board.
3. The right to hold RFQ for 90 days from submission date without action, and to waive all formalities in RFQ.
4. The right to extend the total RFQ beyond the original 90-day period prior to an award if agreed upon in writing by both parties and if RFQ holds firm.
5. The right to terminate all or any part of the unfinished portion of the work resulting from this solicitation within thirty (30) days written notice; upon default by the firm, for delay or non-performance by the firm, or if it is deemed in the best interest of BPUB for convenience.
6. The BPUB reserves the right to request additional information or to meet with representatives from responding organizations to discuss points in the RFQ before and after submission, any and all of which may be used in forming a recommendation.
7. The BPUB reserves the right to reject any and all qualification statements, and to accept the RFQ it considers in its best interest based upon the requirements and descriptions outlined in this RFQ.

Any interpretation, correction, or change of the RFQ will be made by ADDENDUM. Changes or corrections will be issued by the Brownsville PUB Purchasing Department. **Addenda will be emailed to all who have returned the RFQ Acknowledgement Form.** Addenda will be issued as expeditiously as possible. It is the responsibility of the vendors to determine whether all addenda have been received. It will be the responsibility of all respondents to contact the Brownsville PUB prior to submitting a response to the RFQ to ascertain if any addenda have been issued, and to obtain any and or all addenda, execute them, and return addenda with the response to the RFQ. Addenda may also be posted on Brownsville PUB's webpage.

Reference Checks

The BPUB will contact prospective firm's references by telephone or email. Complete the attached "Previous Customer Reference Worksheet", for each reference provided.

III. SUBMISSION REQUIREMENTS/CONTENTS

A Firm wishing to be considered for the lobbyist engagement is requested to submit on the Firm's letterhead, a statement which provides information on the following points, numbered and headed as indicated. Responding Firms should refer to Section I, Instructions to Participating Firms for the response format. You should be aware that the contents of the successful RFQ may become a part of subsequent contractual documents. Failure to accept this obligation may result in the cancellation of any award.

1. Information on the Firm.
 - a. Name and address of the Firm. If the Firm has a permanent office within the Rio Grande Valley, indicate the name, type, address, telephone number and number of employees in such office.
 - b. History of the Firm, indicating date the Firm was founded and how long the Firm has provided legislative and consulting services to municipally owned utilities.
 - c. Organization of the Firm, including a discussion of any recent or proposed changes in management or ownership.
2. Qualifications of Firm
 - a. Discuss the Firm's experience relative to Section IV, Qualifications. Include in this discussion a list of at least five municipally owned utility clients to include name, and phone number which the Firm and the representative assigned to the Brownsville PUB have served in the capacity of utility lobbyist during the past five years.

- b. Discuss the Firm’s approach in assisting municipally owned clients.
 - c. Discuss the Firm’s capabilities to provide the services listed in Section VI, Scope of Services.
3. Identify the specific individuals who will be assigned to the Brownsville PUB, and provide brief resumes for each highlighting their experience with similar municipally owned utility clients and Brownsville PUB experience, if any. Indicate each individual’s role relative to the Brownsville PUB’s account. Also, indicate each individual’s availability and the minimum notice required by the Firm to guarantee availability.
4. Provide fee schedules as described in section VII, Fees. List any estimated out-of-pocket expenses to be paid by the Brownsville PUB. Explain how your Firm controls out-of-pocket expenses.
5. Identify and discuss any potential conflicts of interest, including those dealing with other jurisdictions in the Brownsville area.
6. Evidence of professional liability (E&O) policy with a minimum limit of \$1,000,000.

BPUB is requesting five (5) sets of the qualification statements, including attachments. CONFLICT OF INTEREST QUESTIONNAIRE
For vendor doing business with local governmental entity

A complete copy of Chapter 176 of the Local Government Code may be found at <http://www.statutes.legis.state.tx.us/Docs/LG/htm/LG.176.htm>. For easy reference, below are some of the sections cited on this form.

Local Government Code § 176.001(1-a): "Business relationship" means a connection between two or more parties based on commercial activity of one of the parties. The term does not include a connection based on:

- (A) a transaction that is subject to rate or fee regulation by a federal, state, or local governmental entity or an agency of a federal, state, or local governmental entity;
- (B) a transaction conducted at a price and subject to terms available to the public; or
- (C) a purchase or lease of goods or services from a person that is chartered by a state or federal agency and that is subject to regular examination by, and reporting to, that agency.

Local Government Code § 176.003(a)(2)(A) and (B):

(a) A local government officer shall file a conflicts disclosure statement with respect to a vendor if:

(2) the vendor:

(A) has an employment or other business relationship with the local government officer or a family member of the officer that results in the officer or family member receiving taxable income, other than investment income, that exceeds \$2,500 during the 12-month period preceding the date that the officer becomes aware that

- (i) a contract between the local governmental entity and vendor has been executed; or
- (ii) the local governmental entity is considering entering into a contract with the vendor;

(B) has given to the local government officer or a family member of the officer one or more gifts that have an aggregate value of more than \$100 in the 12-month period preceding the date the officer becomes aware that:

- (i) a contract between the local governmental entity and vendor has been executed; or
- (ii) the local governmental entity is considering entering into a contract with the vendor.

Local Government Code § 176.006(a) and (a-1)

(a) A vendor shall file a completed conflict of interest questionnaire if the vendor has a business relationship with a local governmental entity and:

- (1) has an employment or other business relationship with a local government officer of that local governmental entity, or a family member of the officer, described by Section 176.003(a)(2)(A);
- (2) has given a local government officer of that local governmental entity, or a family member of the officer, one or more gifts with the aggregate value specified by Section 176.003(a)(2)(B), excluding any gift described by Section 176.003(a-1); or
- (3) has a family relationship with a local government officer of that local governmental entity.

(a-1) The completed conflict of interest questionnaire must be filed with the appropriate records administrator not later than the seventh business day after the later of:

- (1) the date that the vendor:
 - (A) begins discussions or negotiations to enter into a contract with the local governmental entity; or
 - (B) submits to the local governmental entity an application, response to a request for proposals or bids, correspondence, or another writing related to a potential contract with the local governmental entity; or
- (2) the date the vendor becomes aware:
 - (A) of an employment or other business relationship with a local government officer, or a family member of the officer, described by Subsection (a);
 - (B) that the vendor has given one or more gifts described by Subsection (a); or
 - (C) of a family relationship with a local government officer.

BROWNSVILLE PUBLIC UTILITIES BOARD
RESIDENCE CERTIFICATION

In accordance with Art. 601g, as passed by the 1985 Texas Legislature, the following will apply. The pertinent portion of the Act has been extracted and is as follows:

Section 1. (a)

(1) "Nonresident bidder" means a bidder whose principal place of business is not in this state, but excludes a contractor whose ultimate parent company or majority owner has its principal place of business in this state.

(2) "Texas resident bidder " means a bidder whose principal place of business is in this state, and includes a contractor whose ultimate parent company or majority owner has its principal place of business in this state.

Section 1. (b)

The state or governmental agency of the state may not award a contract for general construction, improvements, services, or public works projects or purchases of supplies, materials or equipment to a nonresident bidder unless the nonresident's bid is lower than the lowest bid submitted by a responsible Texas resident bidder by the same amount that a Texas resident bidder would be required to underbid a nonresident bidder to obtain a comparable contract in the state in which the nonresident's principal place of business is located.

I certify that _____ (Company Name) is a **resident Texas bidder** as defined in Art. 601g.

_____ (hereafter referred to
as the "Company") being an adult over the age of eighteen (18) years of age, after being
duly sworn by the undersigned notary, do hereby depose and verify under oath as
follows:

- **IRAN, SUDAN AND FOREIGN TERRORIST ORGANIZATIONS:** By submission of a response to City of Brownsville Public Utilities Board ("BPUB") Request for Qualifications Q049-23 (the "RFQ"), the responding Company represents that, to the extent this proposal submission or any contracts executed in response to this proposal constitutes a governmental contract within the meaning of Section 2252.151 of the Texas Government Code, as amended, solely for purposes of compliance with Section 2252.152 of the Texas Government Code, and except to the extent otherwise required by applicable federal law, neither the responding Company, nor any wholly owned subsidiary, majority-owned subsidiary, parent company or affiliate of the Company is a company listed by the Texas Comptroller of Public Accounts under Sections 806.051, 807.051, or 2252.153 of the Texas Government Code.
- **ANTI-BOYCOTT ISRAEL VERIFICATION:** By submission of a response to the BPUB RFQ, the responding Company represents that, to the extent this proposal submission, or any contracts executed in response to this proposal, constitutes a contract for goods or services within the meaning of Section 2271.002 of the Texas Government Code, as amended, solely for purposes of compliance with Chapter 2271 of the Texas Government Code, and subject to applicable federal law, including without limitation, 50 U.S.C. Section 4607, the responding Company, as well as any wholly owned subsidiary, majority-owned subsidiary, parent company or affiliate of the Company, (1) does not boycott Israel and (2) will not boycott Israel through the term of any such contract. The term "boycott Israel" as used in this paragraph has the meaning assigned to such term in Section 808.001 of the Texas Government Code, as amended.
- **VERIFICATION REGARDING NO DISCRIMINATION AGAINST FIREARMS:** By submission of a response to the BPUB RFQ, the responding Company represents that, to the extent this proposal submission, or any contracts executed in response to this proposal, constitutes a contract for goods or services for which a written verification is required under Section 2274.002, Texas Government Code (as added by Senate Bill 19, 87th Texas Legislature, Regular Session), as amended, the responding Company hereby verifies that it, as well as any wholly owned subsidiary, majority-owned subsidiary, parent company or affiliate of the Firm, (1) does not have a practice, policy, guidance, or directive

that discriminates against a firearm entity or firearm trade association; and (2) will not discriminate during the term of any such contract against a firearm entity or firearm trade association. The foregoing verification is made solely to comply with Section 2274.002, Texas Government Code (as added by Senate Bill 19, 87th Texas Legislature, Regular Session), as amended, to the extent such section does not contravene applicable Texas or federal law. As used in the foregoing verification, “discriminate against a firearm entity or firearm trade association” shall have the meaning assigned to such term in Section 2274.001, Texas Government Code (as added by Senate Bill 19, 87th Texas Legislature, Regular Session).

- **VERIFICATION REGARDING NO ENERGY COMPANY BOYCOTTS:** By submission of a response to the BPUB RFQ, the responding Company represents that, to the extent this proposal submission, or any contracts executed in response to this proposal, constitutes a contract for goods or services for which a written verification is required under Section 2274.002, Texas Government Code (as added by Senate Bill 13, 87th Texas Legislature, Regular Session), as amended, the responding Company hereby verifies that the responding Company, as well as any wholly owned subsidiary, majority-owned subsidiary, parent company or affiliate of the Firm, (1) does not boycott energy companies and (2) will not boycott energy companies during the term of any such contract. The foregoing verification is made solely to comply with Section 2274.002, Texas Government Code (as added by Senate Bill 13, 87th Texas Legislature, Regular Session), as amended, to the extent such section does not contravene applicable Texas or federal law. As used in the foregoing verification, “boycott energy companies” shall have the meaning assigned to such term in Section 809.001(1), Texas Government Code.

Part I Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. The TIN provided must match the name given on line 1 to avoid backup withholding. For individuals, this is generally your social security number (SSN). However, for a resident alien, sole proprietor, or disregarded entity, see the instructions for Part I, later. For other entities, it is your employer identification number (EIN). If you do not have a number, see *How to get a TIN*, later.

Note: If the account is in more than one name, see the instructions for line 1. Also see *What Name and Number To Give the Requester* for guidelines on whose number to enter.

Part II Certification

Under penalties of perjury, I certify that:

- The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me); and
- I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding; and
- I am a U.S. citizen or other U.S. person (defined below); and
- The FATCA code(s) entered on this form (if any) indicating that I am exempt from FATCA reporting is correct.

Certification instructions. You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and generally, payments other than interest and dividends, you are not required to sign the certification, but you must provide your correct TIN. See the instructions for Part II, later.

General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Future developments. For the latest information about developments related to Form W-9 and its instructions, such as legislation enacted after they were published, go to www.irs.gov/FormW9.

Purpose of Form

An individual or entity (Form W-9 requester) who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) which may be your social security number (SSN), individual taxpayer identification number (ITIN), adoption taxpayer identification number (ATIN), or employer identification number (EIN), to report on an information return the amount paid to you, or other amount reportable on an information return. Examples of information returns include, but are not limited to, the following.

- Form 1099-DIV (dividends, including those from stocks or mutual funds)
- Form 1099-MISC (various types of income, prizes, awards, or gross proceeds)
- Form 1099-B (stock or mutual fund sales and certain other transactions by brokers)
- Form 1099-S (proceeds from real estate transactions)
- Form 1099-K (merchant card and third party network transactions)
- Form 1098 (home mortgage interest), 1098-E (student loan interest), 1098-T (tuition)
- Form 1099-C (canceled debt)
- Form 1099-A (acquisition or abandonment of secured property)

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN.

If you do not return Form W-9 to the requester with a TIN, you might be subject to backup withholding. See What is backup withholding, later.
