Subject: Addendum #4

REFERENCE: P060-23 Annual Supply of Scale Inhibitor and Clean in Place Chemicals

This Addendum forms part of the contract and clarifies, corrects or modifies original proposal document.

Question 1: The Scale Inhibitor proposal is based on a twice annual delivery – as this would have a significant impact on the cost of transportation, verify if the shipment would indeed only be the twice annual?

Answer 1: There will be approximately four (4) deliveries per year.

The signature of the company agent, for the acknowledgement of this addendum, shall be required.
Complete information below and return via e-mail to: dsolitaire@brownsville-pub.com.

I hereby acknowledge receipt of this addendum.
