RE: January 2023 FPEC Billing Report

Dear Mrs. Ramirez:

On April 24, 2017, there was a joint meeting of the City Commission of the City of Brownsville and the Brownsville Public Utilities Board (BPUB). The Board agreed to provide the City Commission a monthly electric bill comparison between BPUB and other area Investor-Owned Utilities, Electric Coops, and Retail Electric Providers.

Enclosed for your information is the January 2023 electric bill comparison between BPUB and other area electric providers.

BPUB has approved an FPEC rate of \$.07360 for January 2023. Base rates decreased on December 1, 2022. These combined actions will result in a bill of \$134.67 for an average residential customer using 1,000 kWh during the month of January 2023.

The monthly bill consists of three bill components as follows:

Customer Service Charge	\$ 6.94
Base Rates	54.13
Fuel & Purchase Energy Charge	73.60
	<u>Total: \$ 134.67</u>

If you have any questions or need additional information, please contact me at (956) 983-6709.

Sincerely,

Marilyn D. Gilbert, MBA
Interim General Manager & CEO

Investor Owned Utilities
Residential Electric Bill Comparison
January 2023
Based on 1,000 kWh of Electric Sales

Notes:

1. This comparison is compiled using information for Retail Electric Providers (REPs) which is publicly available through the Power to Choose link on the Public Utility Commission of Texas' website. The monthly bills shown on this sheet are inclusive of all fixed (e.g. customer & metering charges) and variable charges (e.g. transmission & distribution charges).
2. For comparative purposes bills shown are all fixed plans.
