Helen Ramirez  
Interim City Manager  
P.O. Box 911

Dear Mrs. Ramirez:

On April 24, 2017, there was a joint meeting of the City Commission of the City of Brownsville and the Brownsville Public Utilities Board (BPUB). The Board agreed to provide the City Commission a monthly electric bill comparison between BPUB and other area Investor-Owned Utilities, Electric Coops, and Retail Electric Providers.

Enclosed for your information is the November 2022 electric bill comparison between BPUB and other area electric providers.

BPUB has approved an FPEC rate of \$0.07747. November 2022 bill for the average residential customer using 1,000 kWh was \$144.25.

This monthly bill consists of three bill components as follows:

Customer Service Charge	\$ 6.94
Base Rates	59.84
Fuel & Purchase Energy Charge	77.47
<u>Total:</u>	<u>\$ 144.25</u>

BPUB has maintained a bill reduction program since March 2016 by utilizing available funds. Due to rising fuel costs, in October 2021, the BPUB Board approved a plan to begin adjusting the monthly FPEC rate in order to recover these additional costs.

If you have any questions or need additional information, please contact me at (956) 983-6709.

Sincerely,

Marilyn D. Gilbert  
Interim General Manager & CEO
