Subject: Addendum #2

**REFERENCE: B036-24 Phase 2 – Service Center Additional Pole Yard Fencing**

This Addendum forms part of the contract and clarifies, corrects or modifies original bid document.

**Question 1:** Please confirm the amount of fence required for the project, as I have a total of 2608 LF, of 8 ft fence (attached sketch measurements of 2796, less 4 gates and 68 LF of fence (clouded area) = 2608 LF).

**Answer 1:** Provide a bid for the quantity shown on the Bid Sheet. Upon completion, all distances will be field verified and contractor shall be paid for linear feet installed of fence.

**Question 2:** Will new swing gates be 24 ft wide as stated on box note on plan sheet 2 of 3 or 30 ft wide called out on Bid sheets and plans?

**Answer 2:** Bid on 30-foot rolling gates with wheels. No swing gates.

**Question 3:** For clarification, is Item 4 an ALTERNATE option of installing PVC Vinyl Coated fence which will involve one NEW gate, and not a Relocated Gate (as it cannot be coated locally) which would be 4 NEW GATES.

**Answer 3:** There are three new 30-foot rolling gates with wheels. The existing gate on the east side will be moved to the west side. This relocated gate will be reinstalled as “as-is” and non-coated. The Alternate option will remain as 3 New Gates.

**Question 4:** There are 2 different submission due dates – Page LN-1, third paragraph states submission due date is April 24, 2024 and Page IB-2, states May 1, 2024. Please confirm due date.

**Answer 4:** The submission due date is May 1, 2024 by 5:00 PM.
