- Follow all safety precautions, codes, and regulations; follow all locally approved safety procedures and practices; follow the manufacturer's recommendations for servicing the transformer.
- Transformer(s) will be disconnected, grounded and ready to be worked on prior to Vendor's arrival. Each transformer will be de-energized one at a time. BPUB requires one day between transformers for switching and isolation.
- Remove the corrosive oil from the transformer and associated LTC (if applicable). **The Vendor would be responsible for properly disposing of the corrosive oil.**
- Drain the oil; force oil out by applying positive pressure using dry gas.
- Flush the interior of the unit with warm retrofit fluid (recommended to use at least 5% of the unit's volume warmed to at least 100°F (40°C)). Flush through the fill plug or bolted access.
- If the Vendor needs to open the transformer (open manholes), the Vendor will be responsible to replace any gaskets that may be damaged during this process.
- Fill the transformer and LTC; pull vacuum within the tank's mechanical limits. Recommended for the fluid temperature to be at 50°C minimum, use at least 0.5 µm filters. Limit the base pressure to the tank's rating.
 - Note: Vendor must ensure the pressure differential conditions permissible on the LTC diverter switch barrier board. Check all gasketed joints with a suitable leak detector. All leaks detected must be eliminated before starting the vacuum filling.
 - Retrofit the units with Type II naphthenic insulating oil meeting ANSI/ASTM D3487-1979 requirements and add oil Passivator that would retard the attack of corrosive sulfur that stays behind absorbed by the paper insulation in accordance with the manufacturer's instructions.
- Fill the unit to its fluid level. Top with Nitrogen blanket maintaining a positive pressure of not more than 4 psig.
- Verify gaskets and seals are working properly and that there are no leaks.

- Post-electrical testing on transformer and LTC. Vendor needs to provide a copy of the test results.
- Take oil samples for fluid analysis and dissolved gas to establish a new baseline.
 - Moisture in Oil (Karl Fischer) ASTM D-1533B
 - Interfacial Tension ASTM D-971
 - Specific Gravity ASTM D-1298
 - Neutralization number ASTM D-974
 - Color Number ASTM D-1500
 - Visual Examination ASTM D-1524
 - Dielectric Breakdown ASTM D-877
 - Power Factor ASTM D-924
 - Dissolved Gas Analysis ASTM D-3612
 - Oxidation Inhibitor ASTM D-2668
 - PCB Analysis D-4059

2. Brownsville PUB is targeting to begin this job the 1st Quarter of 2025.
3. Brownsville PUB is estimating transformer outages for seven (7) consecutive days but the outage can be extended or shortened depending on Vendor's estimated time to complete each transformer.
4. BPUB will have designated personnel to disconnect the transformers and install temporary grounds before the vendor arrives at each job site.
5. Vendor will be allowed to work around the clock if needed, BPUB will have staff available for escorting.
6. Bidder will be responsible for any excess products including tank/storage for corrosive and passivator oils.
7. Additional costs must be outlined in the cost sheet.

- Vendor to correct problem with the Load Tap Changer (LTC) oil leak.
- Replace any gaskets on the LTC if needed.
- Fill back the LTC with oil. If the oil analysis determines the oil could not be re-used, the LTC should be fill back with Type II naphthenic insulating oil meeting ANSI/ASTM D3487-1979 requirements and add oil Passivator that would retard the attack of corrosive sulfur.
- Fill the LTC to its fluid level.
- Verify gaskets and seals are working properly and that there are no leaks.

- The vendor will run an acceptance test to verify the transformer is in condition to be energized. Tests should include but are not limited to Turns-ratio tests, Winding Resistance test. Test results shall be within acceptable IEEE/ANSI standards. The vendor is responsible to make equipment corrections if test results are outside standards.

Oil Sample:

- Take oil samples on both the transformer tank and LTC for fluid analysis and dissolved gas per ASTM procedures **prior any work.**
- Take oil samples on both the transformer tank and LTC for fluid analysis and dissolved gas to establish a new baseline **after all repairs has been completed.** Oil Analysis shall include:

10. Successors and Assignments.

Neither Party shall assign, transfer, delegate, or subcontract any of its rights or obligations under this Contract without the prior written consent of the other Party. Any purported assignment or delegation in violation of this Section shall be null and void. No assignment or delegation shall relieve the transferring Party of any of its obligations hereunder. In the event of any assignment, transfer, delegation, or subcontracting, Brownsville PUB and Service Provider each binds itself and its successors, executors, administrators and assigns to the other parties of this Contract and to the successors, executors, administrators and assigns of such other parties, in respect to all covenants of this Contract. Nothing herein shall be construed as creating any personal liability on the part of any officer, Board Member, Commissioner, or employee of any public body which is a party and/or indemnitee hereto.

11. Termination of Contract for Cause.

If, through any cause, Service Provider shall fail to fulfill in a timely and proper manner its obligations under this Contract, or if Service Provider shall violate any of the covenants, agreements, warranties or stipulations in this Contract, Brownsville PUB shall have the right, without prejudice to any other rights or remedies it may have under this Contract, to terminate this Contract by giving written notice to Service Provider of such termination and specifying the date thereof, at least fifteen (15) calendar days before the effective date of such termination. The method of compensation herein shall be as provided in Section 3 of this Contract.

Notwithstanding the above, Service Provider shall not be relieved of liability to Brownsville PUB for damages sustained by Brownsville PUB by virtue of any intentional and/or negligent act or omission or any breach of this Contract by Service Provider, and Brownsville PUB may withhold any payments to Service Provider for the purpose of setoff, until such time as the exact amount of damages due Brownsville PUB from Service Provider is determined.

Brownsville PUB may terminate this Contract at any time by giving at least thirty (30) calendar days notice in writing to Service Provider. If the Contract is terminated by Brownsville PUB as provided herein, Service Provider will be paid for the Services provided and approved expenses incurred up to the termination date if such compensation is approved by Brownsville PUB, which approval shall not be unreasonably withheld. Service Provider shall be entitled to receive just and equitable compensation for any work satisfactorily completed hereunder, provided such compensation is approved by Brownsville PUB, which shall not be unreasonably withheld. The method of compensation herein shall be as provided in Section 3 of this Contract.

Notwithstanding the above, Service Provider shall not be relieved of liability to Brownsville PUB for damages sustained by Brownsville PUB by virtue of any intentional and/or negligent act or omission or any breach of this Contract by Service Provider, and Brownsville PUB may reasonably withhold a sufficient portion of any payments to Service Provider for the purpose of setoff until such time as the exact amount of damages due Brownsville PUB from Service Provider is determined.

Service Provider agrees that Brownsville PUB shall have all rights and remedies afforded to it at law to recover any damages sustained by Brownsville PUB in connection with the work performed by Service Provider under this Contract. Brownsville PUB shall also have all rights and remedies afforded to it in equity to enforce the terms of this Contract. The

exercise of any one right or remedy shall be without prejudice to the enforcement of any other right or remedy allowed at law or in equity.

13. Changes.

Brownsville PUB may, from time to time, request changes in the scope of the Services to be performed hereunder. Such changes, including any increase or decrease in the amount of Service Provider's compensation, which are mutually agreed upon by and between Brownsville PUB and Service Provider shall be incorporated in written amendments to this Contract called "Work Orders".

14. Reports and Information.

Service Provider, at such times (but not more than once per month unless an emergency situation arises), and in such forms as Brownsville PUB may require, shall furnish Brownsville PUB such periodic reports as they may request pertaining to the work or services undertaken pursuant to this Contract, the cost and obligations incurred or to be incurred in connection therewith, and any other matter covered by this Contract.

15. Civil Rights.

Service Provider shall comply with all applicable federal, state, and local laws regarding nondiscrimination and equal employment opportunity, as set forth in Service Provider's policy statement which shall be provided to Brownsville PUB upon request.

16. Entire Agreement.

This Contract, including and together with any Work Orders, exhibits, schedules, and attachments, each of which will be attached hereto, constitutes the entire agreement between the Parties with respect to the subject matter contained herein, and supersedes all prior and contemporaneous agreements and understandings, both written and oral, between the Parties concerning the subject matter of this Contract.

17. Waiver.

The failure or delay on the part of any Party herein at any time to require the performance by any other Party of any portion of this Contract shall not be deemed a waiver, or in any way affect that Party's rights to enforce such provision or any other provision. Any waiver by any Party herein of any provision hereof shall not be taken or held to be a waiver unless explicitly set forth in writing and signed by the Party so waiving and shall not be a waiver of any other provision hereof or any other breach hereof. No single or partial exercise of any right, remedy, power, or privilege hereunder shall preclude any other or further exercise thereof.

18. Severability.

The invalidity, illegality, or unenforceability of any provision of this Contract shall not affect the validity or enforceability of any other provision of this Contract or invalidate or

render unenforceable such provision in any other jurisdiction. Upon a determination that any provision is invalid, illegal, or unenforceable, the Parties shall negotiate in good faith to modify this Contract to effect the original intent of the Parties as closely as possible in order that the transactions contemplated hereby be consummated as originally contemplated to the greatest extent possible.

19. Survival.

Any and all representations, conditions, and warranties made by Service Provider under this Contract are of the essence of this Contract and shall survive the execution, delivery and termination of it, and all statements contained in any document required by Brownsville PUB, whether delivered at the time of the execution or at a later date, shall constitute Service Providers representations and warranties hereunder.

20. Force Majeure.

No Party shall be liable or responsible to the other Party, or be deemed to have defaulted under or breached this Contract, for any failure or delay in fulfilling or performing any term of this Contract, when and to the extent such Party's (the "**Impacted Party**") failure or delay is caused by or results from the following force majeure events (each a "**Force Majeure Event**"): (A) acts of God; (B) flood, fire, earthquake, pandemic, or explosion; (C) war, invasion, hostilities (whether war is declared or not), terrorist threats or acts, riot or other civil unrest; (D) government order, law, or action; (E) national or regional emergency; or (F) other similar events beyond the reasonable control of the Impacted Party. Notwithstanding the foregoing, Service Provider's financial inability to perform, changes in cost or availability of materials, components or services, market conditions, or supplier actions or contract disputes will not excuse performance by Contractor under this Section 20.

The Impacted Party shall give notice within three (3) days of the Force Majeure Event to the other Party, stating the period of time the occurrence is expected to continue. The Impacted Party shall use diligent efforts to end the failure or delay and ensure the effects of such Force Majeure Event are minimized. The Impacted Party shall resume the performance of its obligations as soon as reasonably practicable after the removal of the cause. In the event that the Impacted Party's failure or delay remains uncured for a period of thirty (30) consecutive days following written notice given by it under this Section 20, the other Party may thereafter immediately terminate this Contract upon written notice.

21. Governing Law.

This Contract is governed by the laws of the State of Texas without giving effect to the conflict of laws provisions thereof to the extent such principles or rules would require or permit the application of the laws of any jurisdiction other than those of the State of Texas and all obligations of the Parties under this Contract are performable in Cameron County, Texas.

22. Choice of Forum.

Each Party irrevocably and unconditionally agrees that it will not commence any action, litigation, or proceeding of any kind whatsoever against the other Party in any way arising from or relating to this Contract, including all exhibits, schedules, attachments, and appendices attached to this Contract, and all contemplated transactions, including contract, equity, tort, fraud, and statutory claims, in any forum other than the state or federal court located in Cameron County, Texas. Each Party irrevocably and unconditionally submits to the exclusive jurisdiction of such courts and agrees to bring any such action, litigation, or proceeding only in the state or federal court located in Cameron County, Texas. Each Party agrees that a final judgment in any such action, litigation, or proceeding is conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law.

23. Time for Performance.

The Services shall be completed in accordance with the performance schedule as outlined in Exhibit "C", except to the extent timely performance is prevented by a Force Majeure Event, subject to the terms of Section 20.

24. Attorney's Fees.

If it is necessary for either Party herein to file a cause of action at law or in equity against the other Party due to: (A) a breach of this Contract or (B) any intentional and/or negligent act or omission by the other Party, the non-breaching or non-negligent Party shall be entitled to reasonable attorney's fees and costs, and any necessary disbursements, in addition to any other relief to which it is legally entitled.

25. Cumulative Remedies.

All Parties shall have all rights and remedies afforded to it at law or in equity to recover damages and interpret or enforce the terms of this Contract. The exercise of any one right or remedy shall be without prejudice to the enforcement of any other right or remedy allowed at law or in equity.

26. State or Federal Laws.

This Contract is subject to all applicable Federal and State laws, statutes, codes, and any applicable permits, ordinances, rules, orders and regulations of any local, state or federal government authority having jurisdiction, but nothing contained herein shall be construed as a waiver of any right to question or contest any such law, ordinance, order, rule or regulation in any forum having jurisdiction.

27. No Third-Party Beneficiary.

The Parties are entering into this Contract solely for the benefit of themselves and agree that nothing herein shall be construed to confer any right, privilege or benefit on any person or entity other than the Parties hereto.

28. Dispute Resolution.

In the event a dispute arises between the Parties, then as a condition precedent to any legal action by either Party, the Parties shall first refer the dispute to upper management for good faith negotiations for ten (10) calendar days, and if not resolved, then the Parties agree to participate in at least one session of mediation, as needed, in an effort to resolve the dispute. The Parties agree to split the mediator's fees equally, but each Party shall bear its own legal fees for the mediation. The mediation shall be administered by a mutually agreeable mediation service and shall be held in Cameron County, Texas, unless Brownsville PUB agrees to another location.

29. Amendments.

No amendment to, or modification or termination of this Contract is effective unless it is in writing, identified as an amendment to or modification or termination of this Contract, and signed by an authorized representative of each Party.

30. Independent Contractor.

A. It is understood and acknowledged that the Services which Service Provider will provide to Brownsville PUB hereunder shall be in the capacity of an independent contractor and not as an employee or agent of Brownsville PUB. Service Provider shall control the conditions, time, details, and means by which Service Provider performs the Services. Brownsville PUB shall have the right to inspect the work of Service Provider solely for the purpose of determining whether the work is completed according to this Contract and any applicable Work Order.

B. Service Provider has no authority to commit, act for or on behalf of Brownsville PUB, or to bind Brownsville PUB to any obligation or liability.

C. Service Provider shall not be eligible for and shall not receive any employee benefits from Brownsville PUB and shall be solely responsible for the payment of all taxes, FICA, federal and state unemployment insurance contributions, state disability premiums, and all similar taxes and fees relating to the fees earned by Service Provider hereunder.

31. Counterparts.

This Contract may be executed in counterparts, each of which is deemed an original, but all of which together are deemed to be one and the same agreement. Notwithstanding anything to the contrary in Section 9, a signed copy of this Contract delivered by facsimile, email, or other means of electronic transmission is deemed to have the same legal effect as delivery of an original signed copy of this Contract.

IN WITNESS WHEREOF, the Parties have caused this Contract to be executed as of the Effective Date by their respective officers thereunto duly authorized.

CERTIFICATE OF INTERESTED PARTIES-FORM 1295

Special message: Please read the Special Notification regarding HB 1295 effective January 1, 2016, implemented by the Texas Ethics Commission, which requires business entities to provide a completed Form 1295 to Brownsville PUB with signed contracts in order to execute them.

In 2015, the Texas Legislature adopted House Bill 1295. The law states that a governmental entity or state agency may not enter into certain contracts with a business entity unless the business entity submits a disclosure of interested parties to the governmental entity or state agency at the time the business entity submits the signed contract to the governmental entity or state agency. The law applies to a contract of a governmental entity or state agency that either (1) requires an action or vote by the governing body of the entity or agency before the contract may be signed or (2) has a value of at least \$1 million. The disclosure requirement applies to a contract entered into on or after January 1, 2016.

To implement the law, the Texas Ethics Commission (TEC) adopted new rules necessary to prescribe the disclosure of interested parties form, and post a copy of the form on the commission's website. The commission adopted the Certificate of Interested Parties form, Form 1295, on October 5, 2015. The commission also adopted new rules as part of Chapter 46 of the Texas Administrative Code on November 30, 2015.

On January 1, 2016, TEC made a new filing application available on their website for business entities to use to both create and file Form 1295. Business entities will enter the required information on Form 1295 within the application and print a copy of the completed form, which will include a certification of filing with a unique certification number. An authorized agent of the business entity will need to sign the printed copy of the form and have the form notarized. The completed Form 1295 with the certification of filing must be included with the signed contract to the governmental body or state agency in order for the governmental body to execute the contract.

Brownsville PUB will then notify the commission, using TEC's filing application, of the receipt of the filed Form 1295 with the certification of filing not later than the 30th day after the date the contract binds all parties to the contract.

TEC will then post the business entity's completed Form 1295 to its website within seven (7) business days after receiving notice from Brownsville PUB acknowledging that it was received.

To obtain additional information on HB 1295, to learn more about TEC's process to create a new account or to complete an electronic version of Form 1295 for submission with a signed contract, please go to the following link: https://ethics.state.tx.us/whatsnew/elf_info_form1295.htm

NOTE: IF AWARDED THIS CONTRACT, FORM 1295 WILL BE SUBMITTED AT THE TIME

Future developments. For the latest information about developments related to Form W-9 and its instructions, such as legislation enacted after they were published, go to www.irs.gov/FormW9.

New line 3b has been added to this form. A flow-through entity is required to complete this line to indicate that it has direct or indirect foreign partners, owners, or beneficiaries when it provides the Form W-9 to another flow-through entity in which it has an ownership interest. This change is intended to provide a flow-through entity with information regarding the status of its indirect foreign partners, owners, or beneficiaries, so that it can satisfy any applicable reporting requirements. For example, a partnership that has any indirect foreign partners may be required to complete Schedules K-2 and K-3. See the Partnership Instructions for Schedules K-2 and K-3 (Form 1065).
