Submission of Proposals

A. Request for Information

By submitting a proposal, the respondent agrees to furnish such information as the BPUB may reasonably require. This information includes, but is not limited to, information that indicates financial resources as well as the ability to provide services. To the extent there are any revisions or additions to the information provided or requested in the RFP, an addendum to the RFP will be sent to all respondents that initially received the RFP. Any addenda so issued are to be considered part of the specifications of the RFP. The BPUB reserves the right to make investigations regarding the qualifications of the respondent.

B. Proposals Binding

Any proposal may be withdrawn in writing prior to the date and time set for receipt of proposals. The BPUB anticipates negotiating and executing an agreement with selected respondent(s) by January, 2025. However, any proposal submitted and not withdrawn prior to the date and time set for receipt of proposals will be considered valid until the period ending March, 2025.

C. Incurred Expenses

The BPUB is not responsible for any costs incurred by a respondent to this RFP, including costs of participating in presentations or meetings with the BPUB.

D. Proprietary Information

All materials submitted to the BPUB in response to this RFP are, upon receipt by the BPUB, the property of the BPUB, may not be returned to the submitting party, and are subject to the Public Information Act, Chapter 522, Texas Government Code (the "Act"). Respondents should familiarize themselves with the provisions of the Act. In no event shall the BPUB, the City, or any of their agents, representatives, consultants, directors, officers or employees be liable to a respondent for the disclosure of all or a portion of the information submitted in response to this RFP.

If a respondent has special concerns about information which it desires to make available to the BPUB but which it believes constitutes a trade secret, proprietary information, or other information excepted from disclosure, such respondent should specifically and

conspicuously designate that information by placing “CONFIDENTIAL” in the center header of each such page affected. Blanket, all-inclusive identifications by designation of whole pages or sections as containing proprietary information, trade secrets or confidential commercial or financial information are discouraged and may be deemed invalid.

If the BPUB receives a request for public disclosure of all or any portion of a response, the BPUB will use reasonable efforts to notify the applicable respondent of the request and give such respondent an opportunity to assert, in writing and at its sole expense, a claimed exception under the Act or other applicable law within the time period specified in the notice issued by the BPUB and allowed under the Act.

E. Acceptance/Rejection/Modification to Proposals

1. The BPUB reserves the right to negotiate modifications to the proposals, to reject any or all proposals, to request and consider additional information from any respondent, and to waive minor irregularities and technical defects. The BPUB will not waive non-compliance with the deadline to submit the response to the RFP.
2. The BPUB reserves the right to seek new proposals when it determines that it is in the BPUB's best interest to do so.
3. The BPUB reserves the right to accept the written proposal as an offer.
4. The BPUB reserves the right to award the contract to other qualified respondent(s) if the primary respondent chosen does not execute an agreement with the BPUB within thirty (30) days of being notified of selection.

Evaluation Criteria and Selection Process

All proposals must be completed and convey all of the information requested in order to be considered responsive. If the proposal fails to conform to the essential requirements of the RFP, the Brownsville PUB alone will determine whether the variance is significant enough to consider the proposal susceptible to being made acceptable and therefore a candidate for further consideration, or not susceptible to being made acceptable and therefore not considered for award. Only the information provided with the proposal, subsequent discussions and clarifications provided in writing, and the proposer's written Best and Final Offer, is used in the evaluation process and award determination. Only these criteria will be considered on the award determination.

The BPUB will select the most qualified firm whose proposal is most advantageous to the BPUB with price and other factors considered. Firm selection will be based on the following criteria (not listed in order of importance)

A. Evaluation Criteria

The proposals will be reviewed and evaluated internally using a point system. This may result in the selection of a company. Regardless of the criteria met, BPUB will select the proposal it feels best meets the needs of BPUB and its employees.

The evaluation criteria will include:

CERTIFICATE OF INTERESTED PARTIES-FORM 1295

Special message: Please read the Special Notification regarding HB 1295 effective January 1, 2016, implemented by the Texas Ethics Commission, which requires business entities to provide a completed Form 1295 to Brownsville PUB with signed contracts in order to execute them.

In 2015, the Texas Legislature adopted House Bill 1295. The law states that a governmental entity or state agency may not enter into certain contracts with a business entity unless the business entity submits a disclosure of interested parties to the governmental entity or state agency at the time the business entity submits the signed contract to the governmental entity or state agency. The law applies to a contract of a governmental entity or state agency that either (1) requires an action or vote by the governing body of the entity or agency before the contract may be signed or (2) has a value of at least \$1 million. The disclosure requirement applies to a contract entered into on or after January 1, 2016.

To implement the law, the Texas Ethics Commission (TEC) adopted new rules necessary to prescribe the disclosure of interested parties form, and post a copy of the form on the commission's website. The commission adopted the Certificate of Interested Parties form, Form 1295, on October 5, 2015. The commission also adopted new rules as part of Chapter 46 of the Texas Administrative Code on November 30, 2015.

On January 1, 2016, TEC made a new filing application available on their website for business entities to use to both create and file Form 1295. Business entities will enter the required information on Form 1295 within the application and print a copy of the completed form, which will include a certification of filing with a unique certification number. An authorized agent of the business entity will need to sign the printed copy of the form and have the form notarized. The completed Form 1295 with the certification of filing must be included with the signed contract to the governmental body or state agency in order for the governmental body to execute the contract.

Brownsville PUB will then notify the commission, using TEC's filing application, of the receipt of the filed Form 1295 with the certification of filing not later than the 30th day after the date the contract binds all parties to the contract.

TEC will then post the business entity's completed Form 1295 to its website within seven (7) business days after receiving notice from Brownsville PUB acknowledging that it was received.

What's New

Line 3a has been modified to clarify how a disregarded entity completes this line. An LLC that is a disregarded entity should check the appropriate box for the tax classification of its owner. Otherwise, it should check the "LLC" box and enter its appropriate tax classification.

New line 3b has been added to this form. A flow-through entity is required to complete this line to indicate that it has direct or indirect foreign partners, owners, or beneficiaries when it provides the Form W-9 to another flow-through entity in which it has an ownership interest. This change is intended to provide a flow-through entity with information regarding the status of its indirect foreign partners, owners, or beneficiaries, so that it can satisfy any applicable reporting requirements. For example, a partnership that has any indirect foreign partners may be required to complete Schedules K-2 and K-3. See the Partnership Instructions for Schedules K-2 and K-3 (Form 1065).
