Subject: Addendum #1

REFERENCE: P010-26 Qualified Scheduling Entity (QSE) Services

This Addendum forms part of the contract and clarifies, corrects or modifies original RFP document.

Question 1: Will BPUB consider alternative structures to the QSE Services agreement?

a. SENA can act as Agent but still have ERCOT daily settlement exposure with a limited cap.

Answer 1: BPUB is seeking full Level 4 QSE services for its owned generation and load. Agent-only or limited responsibility proposals will not be considered at this time.

Question 2: Will there be additional opportunities to supply BPUB power or is it maxed out with current suppliers?

Answer 2: This RFP is for QSE services only and does not include power supply. Any future procurement would be subject to a separate request.

Question 3: How long is the QSE agreement for?

Answer 3: Agreement will be for five years with potential annual renewals thereafter.

The signature of the company agent, for the acknowledgement of this addendum, shall be required. **Complete information below and return via e-mail to: dsolitaire@brownsville-pub.com.**
